Welcome to Pedal Morrow County, a joint venture of the Cardington-Lincoln Public Library and the Morrow County Mobility Management project with contributions from community members Jeff Youngs, Mid-Ohio Insurance, Paul Turner, Cardington First United Methodist Church, Tim Maceyko, The Seth Maceyko Snuggle Time Foundation, and the Cardington Police Department. Initially a pilot bicycle lending program through the Cardington-Lincoln Public Library, expansion of Pedal Morrow County Bike Share is expected throughout the County.

Here are the bike lending service guidelines:

- Borrowers must have a current library card in good standing for at least 30 days, be at least twelve (12) years of age, and complete a Lending Agreement and Liability Waiver.
- Borrowers age 12 to 17 must have a Parent/Legal Guardian Consent form on file. The parent/guardian must make the bike size and helmet size selection for their child and the selection must be notated on the consent form.
- Borrowers must sign a Lending Agreement and Liability Waiver each time they check out a bicycle. The Parent/Legal Guardian Consent form will be valid for one season.
- No more than one bike may be checked out on a card and the borrower is the only permitted user of the equipment.
- Equipment borrowed must be returned the same day, at least 30 minutes before closing. Equipment may be borrowed for a longer period on a case-by-case determination. For example, equipment may be borrowed on Saturday for a Sunday ride and returned at least 30 minutes before closing on Monday.
- Equipment is available on a first-come, first-served basis. No holds or renewals are permitted.
- There are no fees to enjoy this program. However, if equipment is not returned when due, there is a $5 per day late fee.
- Equipment not returned will be considered stolen after 72 hours and the Cardington Police Department will be notified.
- Helmets are required and provided when checking out a bike.
- When left unattended, equipment must be locked and secured with the lock provided. Borrowers are responsible for stolen or lost equipment.
- Borrowers must obey the traffic and basic bike safety rules.
- Borrowers must report any damage or malfunctions to library staff immediately.
- A Safety Inspection Checklist must be completed when equipment is returned.
- The borrower will not be charged for normal wear and tear to the bicycle. The borrower will be charged the full replacement cost for lost or damaged items such as the bicycle; lock and key; helmet; as well as other miscellaneous equipment.
- Routine maintenance of all equipment will be handled by Library volunteers and/or a qualified bike shop.
